

Mark 7:14-23

Jesus' verdict about what makes a person 'unclean' [i.e. unfit to have a relationship with God].

It is not the food/dirt that goes into our stomach.....

.....it is the attitudes and behaviour that come out from our heart.

This has massive implications about....

[i] the authority of Jesus.

[ii] all our attempts to better ourselves.

[iii] the effectiveness of formal religion.
